

An Orem-based educational program for teaching nursing practice

**Andrea Hintze
StR`n, Dipl. Päd., RN**

Vancouver 2008

How can nursing agency be acquired?

Nursing agency can be acquired through specialized education and clinical experiences in nursing practice situations.

(Orem, D. 2001)

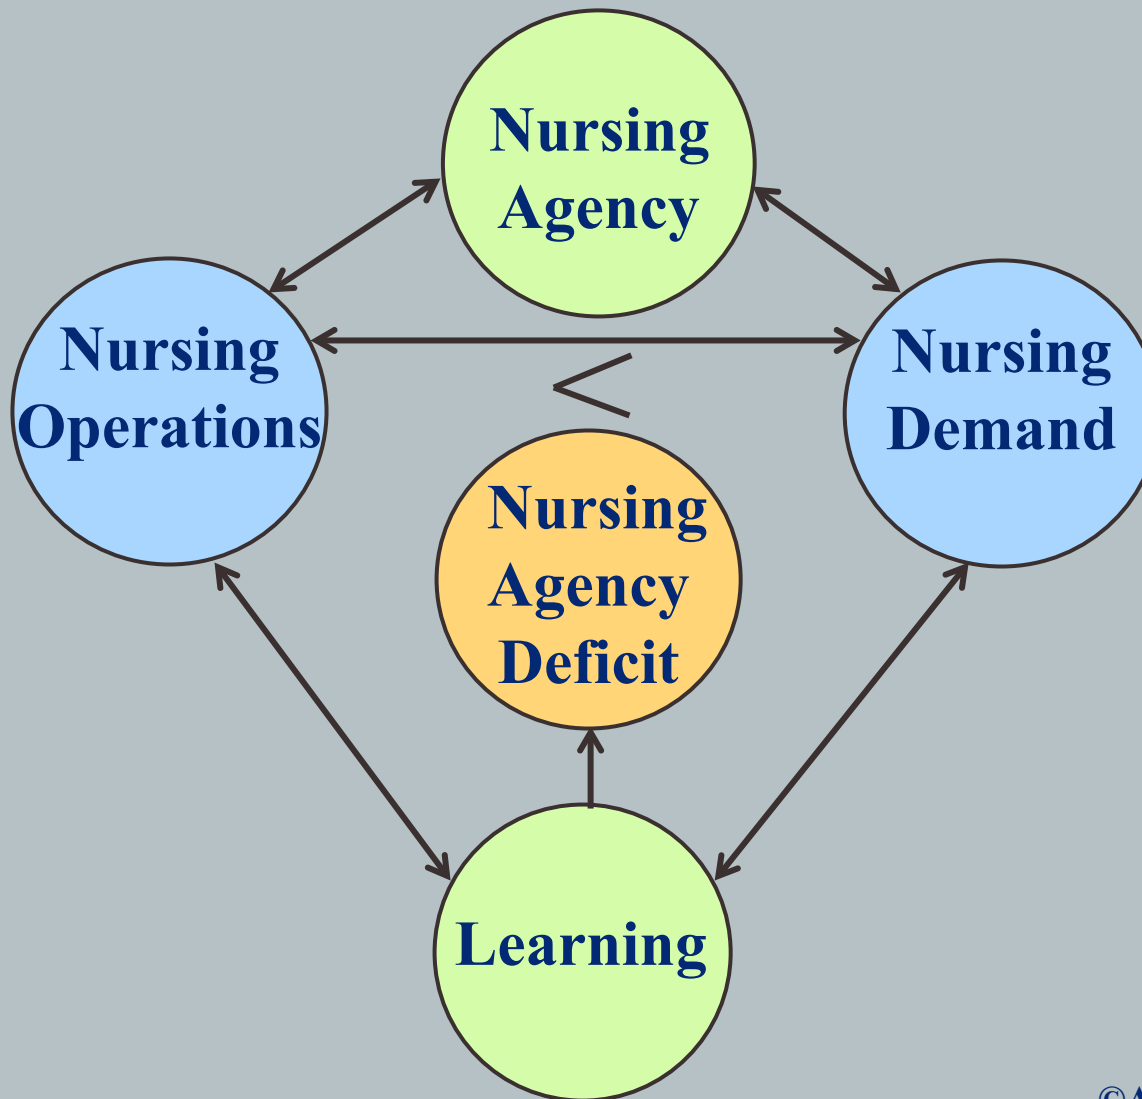

Questions to be answered for curriculum development:

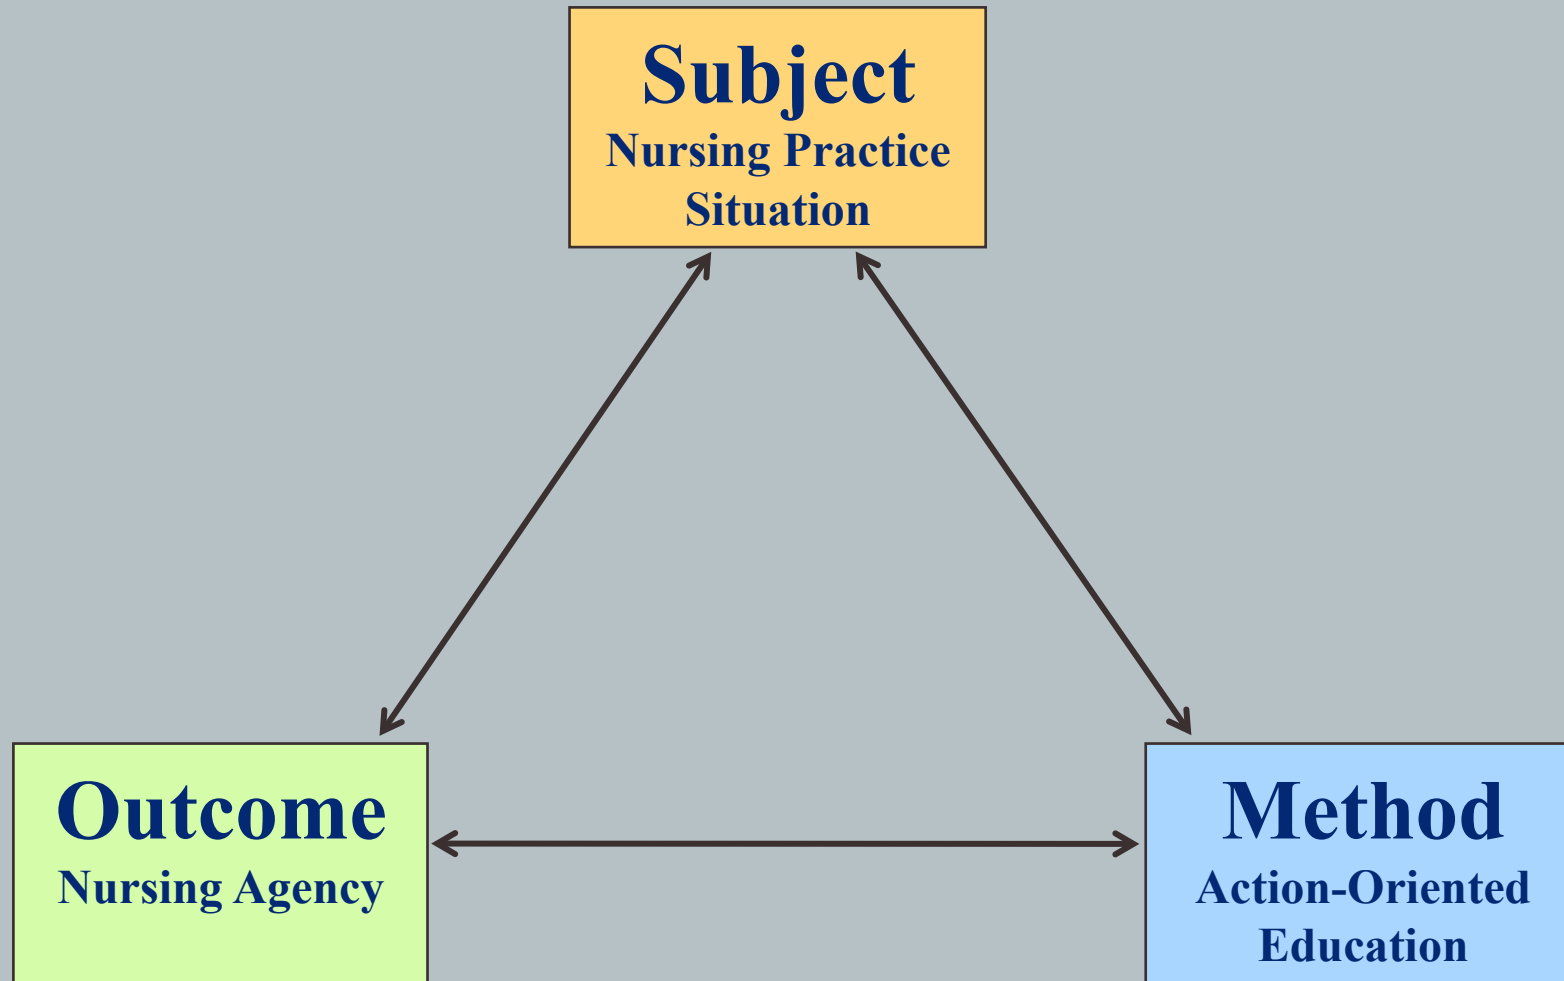

- 1. What is learning?*
- 2. What is teaching?*
- 3. How can the educational process be organized?*
- 4. What can be taught?*
- 5. What teaching-learning strategies can be used?*

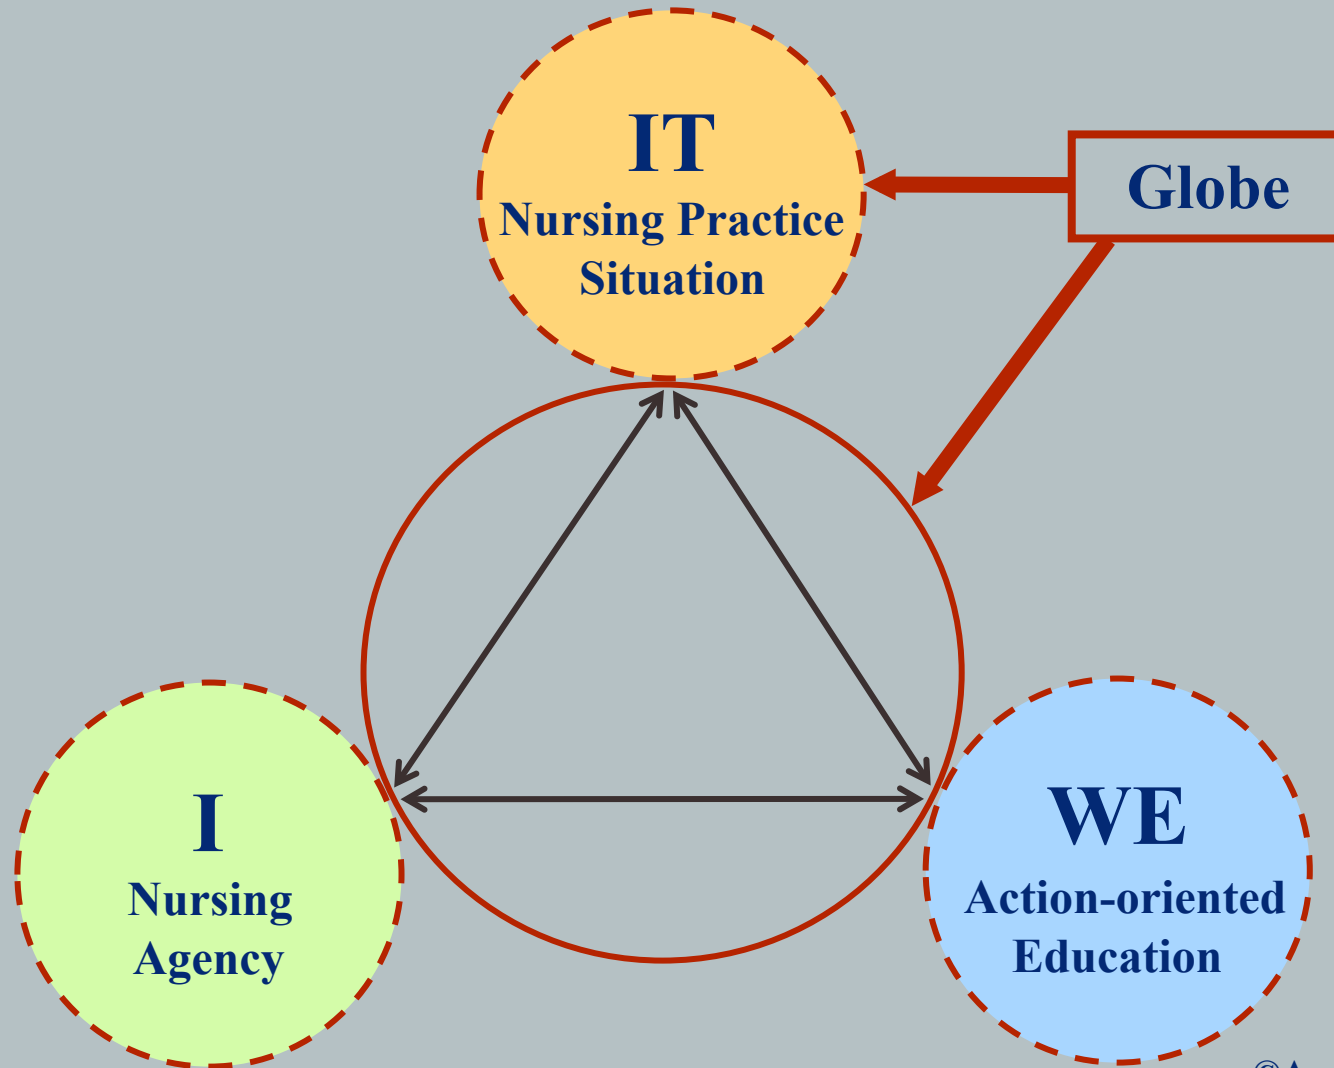

What is learning?

What is teaching?

How can the educational process be organized?

What can be taught?

Classification of Nursing Situations

Theory of Nursing System

Theory of Self-Care

Theory of Self-Care Deficit

1. Life cycle
2. Recovery
3. Illness of Undetermined Origin
4. Genetic and Development Defects and Biologic Immaturity
5. Cure or Regulation
6. Stabilization of Intergrated Functioning
- 7a. Quality of Life is Gravely and Irreversibly Affected
- 7b. Terminal Illness

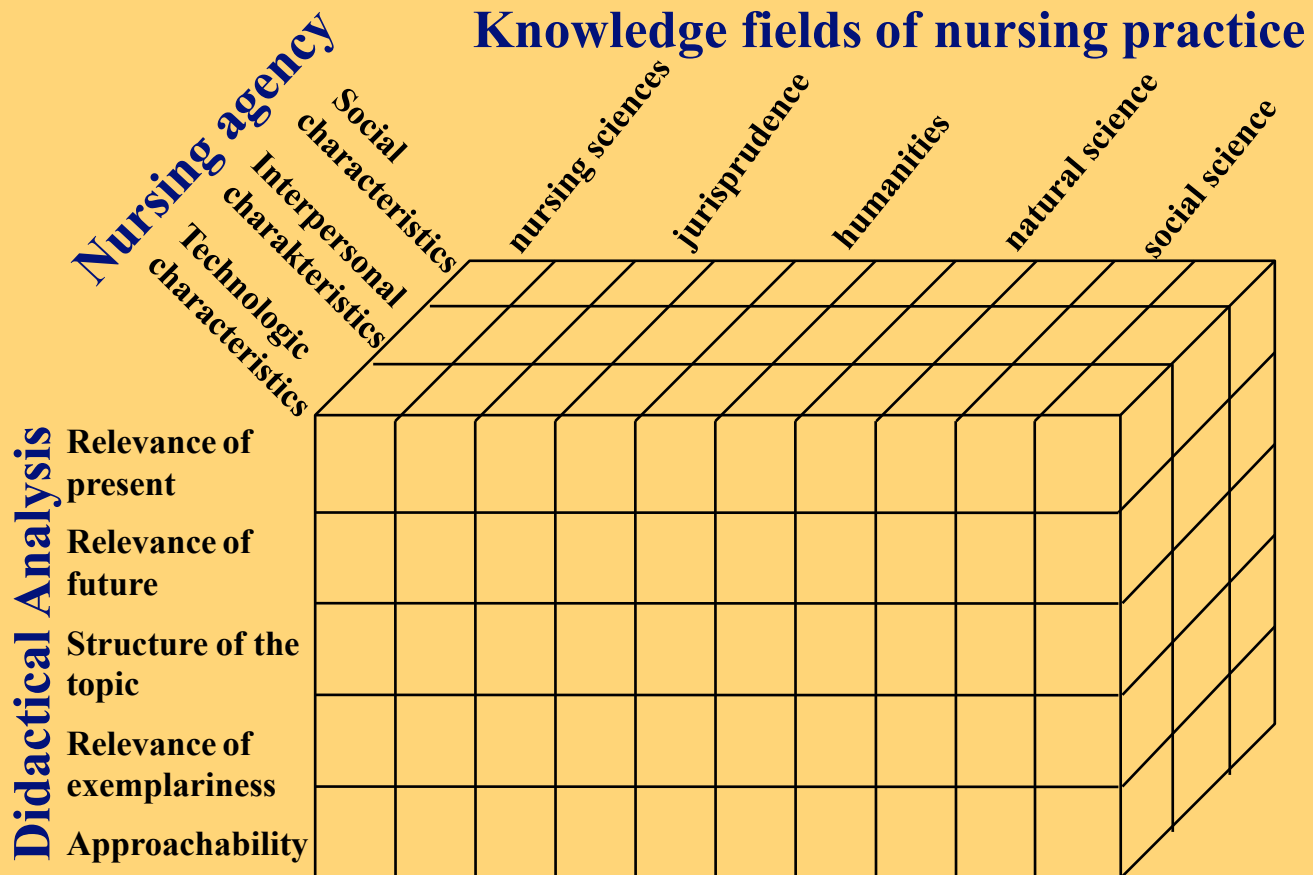

What nursing practice situations can be taught?

Classification of Nursing Situations	Pediatric Nursing Practice Situations
1. Life Cycle	Caring for an infant with feeding disorder
2. Recovery	Caring for a preschool child with a fracture
5. Cure or Regulation	Caring for a school-age child with Diabetes mellitus
6. Stabilization of Integrated Funktioning	Caring for a premature baby with respiratory distress syndrome
7b. Terminal Illness	Caring for a toddler with leukaemia

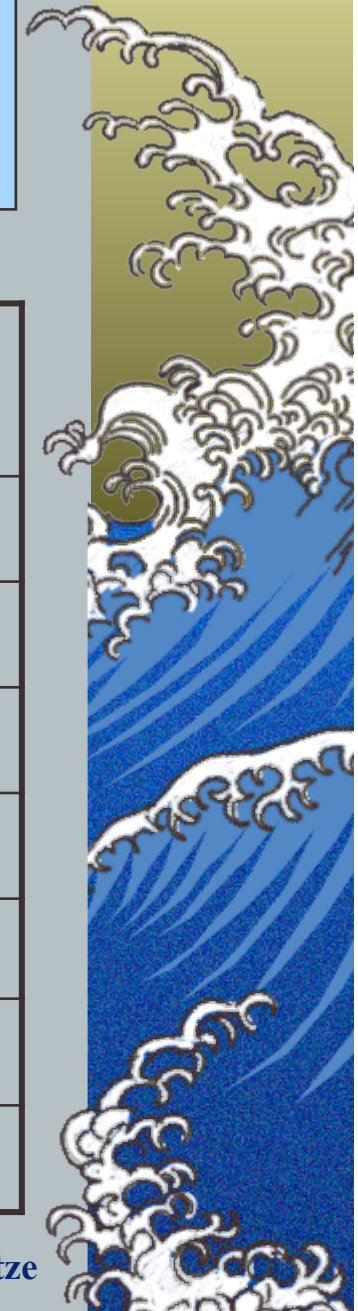

How can a nursing practice situation be constructed?

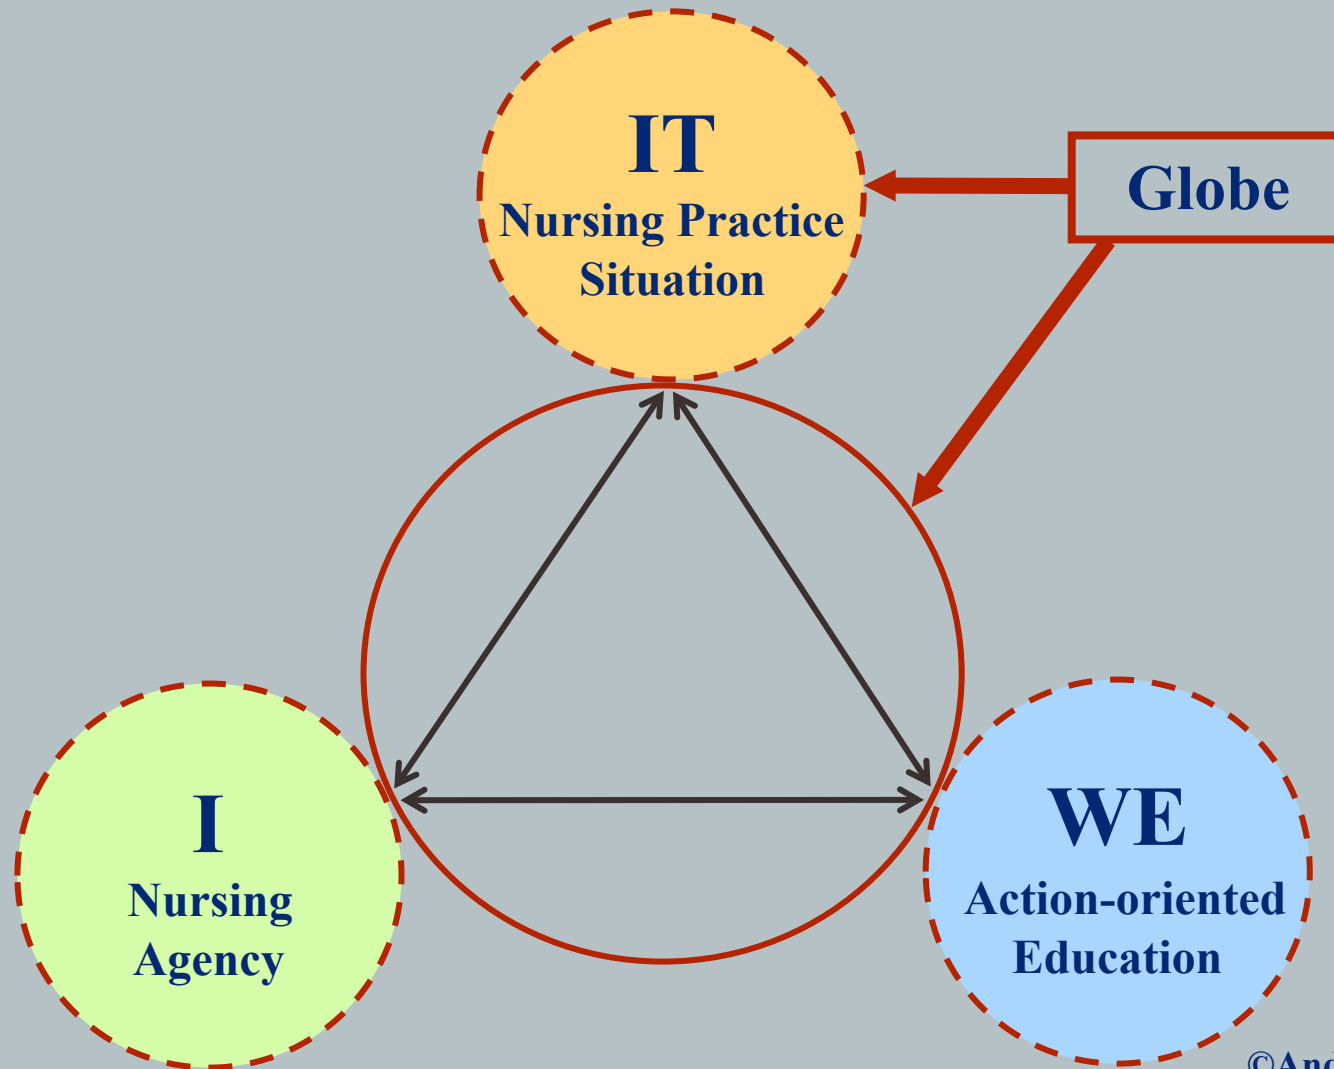

What teaching-learning strategies can be used?

Educational Process	Teaching-learning strategies
Step 1: Informing	Cooperative Learning, Nursing case
Step 2: Diagnosis	Brainstorming
Step 3: Planning	Dialogue
Step 4: Presenting	Lecture, Demonstration
Step 5: Practising	Role Play, Applying nursing process
Step 6: Controlling and Assessing	Video tape, Care plan
Step 7: Reflecting	Self-report, Questionnaire

Advantages of the educational program

Future

*I invite you to test the
Orem-based educational program.*

Thank you!
